

myVMS
Virtual Managed Server Solutions

4WEB.ca's **myVMS** virtual managed server hosting solutions have all the tools to accommodate the enterprise and reseller markets. You get all the best features that **myWEB** hosting solutions offer as well as the ability to host multiple domains. With our VMS management tools organizations can easily add domains/sub domains, update space allotments per domain, add/remove functionality for specific domains, accept online payments, and much more. Technology experts can now more easily offer quality hosting and ecommerce solutions without all the hassles and expense of hosting the servers themselves. With our fantastic tools resellers can offer customized solutions to their clientele and bill them accordingly!
